Editorial – September/ October 2016 edition

As we approach the end of the “Show season”, we will for the autumn/winter period only issuing ‘*Bonsai News UK*’ on alternative months, providing the material comes in. Hence the issue following on from this months’ will appear in November.

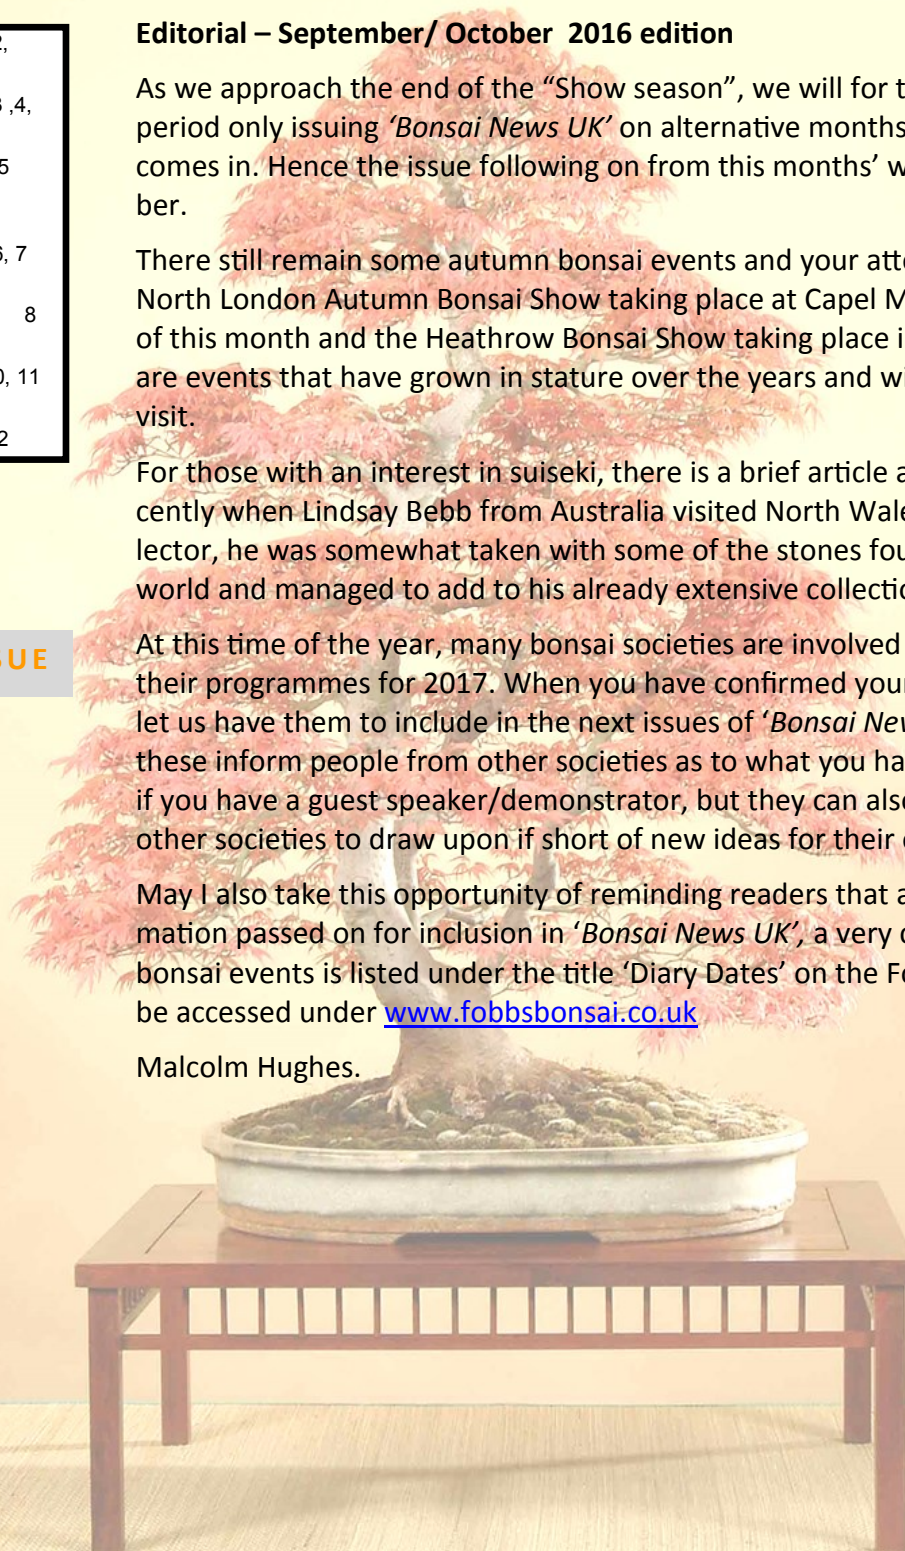

There still remain some autumn bonsai events and your attention is drawn to the North London Autumn Bonsai Show taking place at Capel Manor towards the end of this month and the Heathrow Bonsai Show taking place in late October. Both are events that have grown in stature over the years and will prove well worth a visit.

For those with an interest in suiseki, there is a brief article and images taken recently when Lindsay Bebb from Australia visited North Wales. As a keen stone collector, he was somewhat taken with some of the stones found in that part of the world and managed to add to his already extensive collection.

At this time of the year, many bonsai societies are involved in putting together their programmes for 2017. When you have confirmed your programmes, please let us have them to include in the next issues of ‘*Bonsai News UK*’. Not only do these inform people from other societies as to what you have planned, especially if you have a guest speaker/demonstrator, but they can also provide ideas for other societies to draw upon if short of new ideas for their own programmes.

May I also take this opportunity of reminding readers that as well as society information passed on for inclusion in ‘*Bonsai News UK*’, a very comprehensive list of bonsai events is listed under the title ‘Diary Dates’ on the FoBBS website which can be accessed under www.fobbsbonsai.co.uk

Please see pages 12 & 13 for details of Japan 2017. This is the 8th World Bonsai Convention and only the second time it has been held in Japan. Last time, 1989, we FOBBS, took a party of 30 and we were totally amazed by what we saw. I tried to make it the basis for the event we put on at the International Convention Centre in 1991.

HEATHROW BONSAI SHOW 1000 - 1600.hrs 30 Clubs Exhibiting, 20 Plus Traders, Demos. NEW VENUE: Harlington Sports Centre, Pinkwell Lane, Hayes, Middlesex. UB3 1PB. Adults:£3 OAP/Children: £2, Refreshments Details: Mark & Ming Chen Tel. 07850.771201 markmoreland@live.co.uk

As the year moves towards the autumn we expect the show season to have finished for the year and all we had to look forward to was the Swindon Winter Image show in the following spring. However, in 2010 Mark and Ming Moreland had the idea of an autumn show, where local clubs could exhibit and hopefully attract new members.

At that time I do not think any of us involved with the show could imagine how the show would develop. Over the first few years the show was plagued by extremes of weather from heavy rain to extreme cold and as we were in a small scout hall and tents in the grounds the conditions were far from ideal but clubs continued to support the show and there was a good attendance from the public. We progressed from the scout hall to a local school, but after a couple of years we needed more space so for the 2016 show we have located in a local sports centre. When we first looked at the sports centre it was empty and looked a huge area. At the last count we have 30 clubs wanting to display this year and approximately 20 traders so perhaps we will fill the hall.

The original concept for this show was to allocate four tables to each club to hold their own display there were no additional rules and the same format remains to this day. It is noticeable how the standard of trees and displays have improved year on year. We had always avoided introducing a competitive side to the show, apart from getting the visiting public to vote for the tree that impressed them most, not necessarily the best tree on its merit. Tatton Park RHS Show July 19th. 2016

On the hottest day of the year so far, with temperatures exceeding 33° C. two Bonsai Societies, Cheshire and Manchester as well as two Bonsai Traders, North of England Bonsai and Derbyshire Bonsai excelled themselves in staging high quality exhibits at this prestigious show. Judging took place in the heat of the day, but the RHS judges including Reg Bolton and Malcolm Hughes remained calm and all bonsai exhibits received high awards. Both traders earned well deserved Gold Awards, whilst Cheshire received a top Silver Gilt and Manchester received a Silver. All excellent awards and surely showing the very high standard of bonsai in the UK.

NORTH WALES STONE COLLECTING TRIP

Lindsay Bebb, Australian Bonsai Artist and passionate stone collector from Australia, with probably one of the most notable stone/suiseki collections outside of Japan and China was staying with us last week. We went castle visiting in North Wales and booked into a hotel in the Conway valley, in fact right by the river. Lindsay was delighted and immediately went stone hunting in the shallows, returning with what he reported to be amazing stones with great potential. You have to be very keen to fill your luggage with stones for the return trip (**excess baggage**). Below a few pictures of what he collected, and immediately started to clean. He will make the diazas when he gets home to Brisbane. The heaviest weighed in at 18 kilos.

Invitation to all our Bonsai and Suiseiki friends

On behalf of The 8th World Bonsai Convention Executive Committee, I am pleased to invite you to The 8th World Bonsai Convention, that will be held from April 27 to 30th, 2017 in Saitama city, Japan.

An international World Bonsai Convention is sponsored and promoted by World Bonsai Friendship Federation once every 4 years. (13 Japanese masters and 8 international masters will be demonstrating.)

You will also enjoy not only bonsai and suiseiki, but enjoy the beautiful city of Saitama in its best season. You may also enjoy peaceful walking in Bonsai Village, visiting The Omiya Bonsai Art Museum, Saitama. Also around the venue of WBC, there are many shops, restaurants and other places of interest
